

The Care Navigator - Upcoming Events

By Pamela Dombrowski-Wilson, The Care Navigator, CSA, MS, BS/BA, CG

Fall is time to get back to educational pursuits after a glorious summer. The following are upcoming speaking events at which I'll be talking about a variety of issues. Please share this information with colleagues, friends and family. If you are part of an organization seeking a speaker on aging and healthcare advocacy, contact me and I'll be happy to discuss how I might meet your needs.

Additional information is located on my website at www.thecarenavigator.com, click on Media at the top right.
